

Designer

Ettore Cimini, Walter Monici - 2009

Apparecchio d'illuminazione a sospensione a lucediffusa in alluminio pressofuso e diffusore in vetro soffiato di due diverse dimensioni e potenze. Ampliabile in un sistema a cascata il quale prevede la possibilità di connessione elettrica ad un punto luce singolo per più sorgenti luminose con regolazione verticale ed orizzontale a mezzo di funi, cavi ed altri accessori di semplice uso. Molteplici tipi di installazione per uno o più apparecchi, della stessa o delle due diverse misure Ø350/Ø285mm.

A suspended light fitting for diffused illumination, made of die-cast aluminium with a diffuser of blown glass, available in 2 sizes and powers. Possibility of cascaded installations since you can electrically connect several fittings to the same power connection. Possibility of vertical and horizontal adjustments by means of ropes and other accessories of simple use. Many installation options are possible for one or more fittings, either in same or 2 different sizes Ø350/Ø285mm

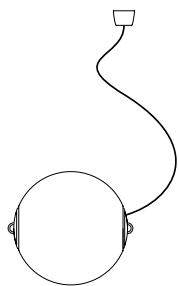

Hängleuchte mit diffusem Licht, aus Pressgussaluminium und Diffusor aus mundgeblasenem Glas, erhältlich in zwei Versionen. Ihre Vielseitigkeit ermöglicht es sie als System zu installieren. Durch die Verwendung von Seilen, Kabel und andere einfache Zubehöre kann man mehrere Beleuchtungskörper zu einem Leitungspunkt verbinden. Zahlreiche Anwendungen für eine oder mehrere Leuchten, mit gleichem oder verschiedenem Durchmesser von 350 oder 285 mm.
