

# PREMIUM

## Reusable Textile Face Mask

- Reusable, textile mouth and nose mask with adjustable nose wire
- Fabric: polyester/cotton 65/35%, 2-ply
- Fastening with elastic bands behind the ears
- Wash before use
- Washable up to 95°C, preferably at 60° in a laundry bag
- Do not dry clean
- Do not iron over nose wire, seams and elastic
- Gentle spin-drying is possible, but reduces the life of the face mask

The masks are neither medically nor otherwise tested or certified and do not prevent the risk of infection!

Made in Europe

## How do I use the face mask correctly?

1. Wash the mask with detergent before use (at least 60°).

2. Important: wash hands with soap before putting on.

3. Do not touch the mask when wearing it.

4. If the mask gets damp, replace it immediately.

5. Wash hands before removing!

6. Do not touch the outside of the mask when removing it, use the loops! Then wash your hands again.

7. Wash the mask with detergent (at least 60°) before the next use.
